Kids Cap

Bubble Cap

## POLYESTER / FABRIC

- Quality comfortable swim cap.
- Available in a wide range of colours.
- Can be supplied plain or printed.
- Available in a large selection of colours.
- Personalised logo can be applied.

Top quality Swim Cap traditionally used for competitive swim events and Triathlon events.

Can have logo applied to suit requirements.

High-quality swim cap is designed extra large to help keep even long hair dry without pulling

Made from soft, stretchy 100% silicone, these swim caps are comfortable enough to wear all day

The caps are hypoallergenic so there's no skin irritation like neoprene, latex & Lycra caps cause

Our swim caps resist tears, rips & wear caused by harsh pool chemicals - Extremely durable!

One size fits all - Great for men, women & kids - Comes in 5 colors to match your swimsuit fashion

## LATEX CAPS

WEAR

WE CAN APPLY FULL COLOUR PRINT TO ALL GARMENTS  
FULL COLOUR PRINT CAN BE APPLIED TO POLYESTER CAPS  
WITHOUT ADDITIONAL SCREEN CHARGES

# OPEN WATER

A brightly coloured inflatable dry bag with leash and waist strap. Ideal for storing kit whilst you swim, and doubles as an inflatable buoy for increased visibility in open water. All our inflatable dry bags will easily support an adults weight if you need to rest, simply by turning around and holding onto the Swim

Secure dry-bag.

Highly recommended for open water swimmers in all outdoor conditions.

- Double airbag system
- Keeps kit safe and dry
- Use without kit as a tow-float
- Ideal for self supported swims and adventure swims

How it works: The high flow nozzles inflate the external chamber, which is separate from where your kit is stored. This device has a twin handle design with two nozzles for inflating the dual air bags (use the back of the valve cap to deflate the bag). The adjustable dual belt design clips securely around the swimmers waist and the leash ensures that the product remains out of swim stroke range whilst swimming.
